WHAT IS PLANNED GIVING?

Planned giving is a way to make a gift to Children Incorporated through estate or financial planning. A planned gift takes your needs, as well as the needs of your loved ones, into consideration while helping support the mission of Children Incorporated well beyond your years.

There are various types of planned giving options that you may wish to consider:

WILLS & BEQUESTS

Creating a will, revising an existing will, or adding a codicil to include Children Incorporated in your bequest are the simplest ways to implement planned giving, and they are the easiest to change. You maintain the use, benefit, and control of your assets for as long as you need them — for as long as you are alive.

There are several ways in which you may include Children Incorporated in your will, and we recommend that you consult with your attorney in deciding which way is best for you.

OTHER TYPES OF GIVING:

- Memorial Gifts
- Charitable Remainder Trusts
- Monetary Gifts
- Gifts of Stocks
- Gifts of Property
- Gifts of Real Estate
- Including Children Incorporated as a Beneficiary of Your Life Insurance Plan
- Including Children Incorporated as a Beneficiary of Your Retirement Plan
