

Dear Friend,

We sincerely appreciate your interest in Children Incorporated's work. We envision a world in which all children have access to education and opportunities, as well as resources to help improve their lives. Hope for a brighter future is often the key to a child's success, and it has always been our goal to offer affirmation and encouragement through sponsorship, as well as through all of our other special projects and funds.

Globally, one billion children are living in poverty; this number is staggering. While there is no easy fix, there are ways in which caring individuals like you can make a difference for children who struggle daily. Through our sponsorship program, you not only provide basic needs assistance, but you also offer them hope by showing them that someone cares about their well-being. Our policy is to consider the needs of each sponsored child on an individual basis. We focus on providing for each child's needs and take into consideration their personal circumstances, so they are receiving the best care possible.

If you have any further questions, please do not hesitate to contact us for more information. Thank you for your interest in Children Incorporated, as well as your desire to make the world brighter by helping children in need.

Sincerely,

Ronald H. Carter  
President and Chief Executive Officer  
Children Incorporated
